Catholic School*

YOUR
CATHOLIC
SCHOOL
ADVISORY
COUNCIL
WELCOMES YOU!

We encourage you to be involved with your children's education. There are many different groups that operate through the Council to help with various aspects of the school. Your participation will make a difference.

WHAT DO WE DO?

The Catholic School Advisory Council performs an advisory role to the school principal and, where necessary, the Board. *CSAC represents the ideas of the members of the school community.*
