2. Oatmeal Raisin: a chewy treat, made with flaky oatmeal, creamery butter and Thompson seedless raisins.
3. Chocolate Fudge Chip: buttery-rich chocolate dough combined with pure semi-sweet chocolate chips to create an intense chocolate taste experience.
4. Oatmeal Chocolate Chew: chocolate chips, oatmeal and melted butter produce a scrumptious toffee-like confection.
5. Shortbread: fresh creamery butter and pure vanilla give this classic buttery treat its goodness.
